**OUR MISSION & FOCUS**

The UWOLC’s mission is to improve lives and meet community needs by uniting people and resources. In carrying out said mission, we seek to improve health, advance education, promote financial stability, and meet basic needs throughout the LOU community. Every contribution makes a significant impact as we work hand in hand with our many donors, partners, volunteers, and advocates for the betterment of Oxford and Lafayette County. We could not achieve the positive outcomes we do without the amazing people, businesses, organizations, and public entities that invest in our community throughout their time, talents, and resources.
